

PEPE NERO

Spicy, exuberant, lively...

The composition opens with the inebriating note of Black Pepper, which, enhanced by Elemi and sparkling Lemon, swirls toward a heart dominated by an invigorating cloud of warm spices among which stand out the fine Cinnamon Leaves. In the base, the fuller-bodied notes of Vetiver, Cedarwood and Guaiac Wood alternate with the warmer and more sensual notes of the timeless and fascinating Amber. A captivating and sophisticated fragrance with a perturbing soul.
